PROFILE

Full-Stack Developer skilled in MERN stack with hands-on experience building and deploying production-style projects with authentication, payments, and cloud deployment. Strong focus on REST APIs, scalable backend architecture, and real-world integrations like Stripe. Seeking backend/full-stack role to contribute immediately in a fast-moving tech environment.

PROJECTS

PromptVerse – AI Prompt Marketplace ⬈
Github ⬈

- Implemented JWT authentication, protected routes, and role-based access.
- Integrated Stripe payments + webhook listeners for secure transactions.
- Designed seller dashboard and product workflows from scratch.
- Optimized server responses → reduced API latency (measurable improvement).
- Tech: React, Node, Express, MongoDB, Stripe | **Deploy** : Vercel + Render

URL Shortener ⬈
Github ⬈

- Built a full-stack URL shortening app with short link generation and redirection.
- Designed RESTful APIs using **Express** and integrated **MongoDB Atlas** for cloud storage.
- Created a clean, responsive **frontend with React (Vite)**.
- Deployed backend on **Render** and frontend on **Vercel** for full-stack functionality.

Subscription Manager ⬈
Github ⬈

- Built a **subscription management system** with JWT authentication and Stripe payment integration.
- Enabled **CRUD operations** for subscriptions and **automated renewal reminders** via cron jobs.
- Used **Node.js, Express, and MongoDB** with secure APIs (CORS, Helmet, validation).

TECHNICAL SKILLS

Languages:- JavaScript (ES6+)

Backend:- Node.js, Express, JWT, REST APIs, Stripe Integration

Tools:- Git, GitHub, Vercel, Render

Frontend:- React.js, TailwindCSS

Database:- MongoDB

Concepts:- REST APIs, Webhooks, Authentication, Authorization, Deployement

SOFT SKILLS

Communication • Problem Solving • Team Collaboration • Time Management • Self-Learning

CERTIFICATION

- Google Cloud Skills Badge – Use APIs to Work with Cloud Storage ⬈

LANGUAGES

- **Hindi**
- **English**

EDUCATION

Binod Bihari Mahto Koyalanchal University (BBMKU), Dhanbad   2022 – 2025
Bachelor of Commerce (B.Com)

DAV Ispat Public School, Bokaro Steel City   2020 – 2022
Class 12 (Commerce)
